WELCOME

Dear Sir/Madam,

We are greatly honored to host the **73rd International Congress and Annual Meeting of the Society for Medicinal Plant and Natural Product Research (GA), jointly with Società Italiana di Fitochimica (SIF) in August 31 - September 3, 2025** at the **Royal Continental Hotel, Naples, Italy**.

In our field, **GA is the largest scientific society in Europe** (<https://ga-online.org>); the **SIF** is the Italian scientific Society devoted to the study of chemistry and bioactivity of natural products (<https://www.phytosif.it>).

Every year over 500 attendees from academia and industry across the globe gather to exchange innovative ideas and international science in the field of natural products with wide applications across sectors from land to marine. Therefore, this event is **one of the largest worldwide** in the area of *natural products research, medicinal plants and phytotherapy, food and natural products, metabolomics, cosmetics, natural product analysis and formulation*.

For more details, please visit our congress **website** at <http://www.ganaples2025.org/>

Main scientific topics will cover:

1. Ethnobiology - Ethnobotany –Ethnopharmacology
2. Chemistry and bioactivity of natural products (including terrestrial and marine source)
3. Analysis and authentication – Quality control – Metabolomics
4. Bioengineering, bioinformatics and chemoinformatics in natural products drug discovery
5. Biodiversity, circular bioeconomy, innovative green extraction procedures and climate change
6. Herbal medicinal products, natural cosmetics, nutraceuticals, and food supplements from conception to the market – Botanical safety assessment
7. Essential oils - Clinical and environmental uses
8. Cutting edge technologies in natural product drug discovery, formulation and development
9. Fungi as medicines and functional foods - their potential and risks
10. Botanicals in veterinary medicine and feed

The annual conferences of the GA this year jointly with SIF wouldn't be possible without the support of our industrial sponsors. You and your company can contribute to the success of this meeting. There are various ways by which you could support the conference, by financial contributions, by sponsoring an invited speaker, with an exhibition booth, where your company presents products and services, or by other ways that we are happy to discuss with you.

Starting from a minimum of a desk in the exhibition space, we offer you a wide range of potential support to connect with innovators, decision makers, consumers and the media by exhibiting at GA 2025.

Become a sponsor or exhibitor at GA 2025 in Naples, Italy and showcase your products and services to the participants!

For any queries, please feel free to contact us.

Yours Sincerely
